Dave-

Thanks for letting me know that you have the case now. I don't foresee any questions about this case. Just so you know, I'm on call for another case in Springfield that day as well (in case you haven't heard, we are normally "on call" for district cases in Springfield since there are a lot of cases per day and you never know which ones will actually go to trial, though if you definitely need us let us know and we can normally be there).

Hey Sonja:

How are you? I'm in Springfield now. I have this case, so if you have any questions let me know. Trial 1-27-2011. I know you'd been talking to Ingrid about this already.

Thanks -- Dave
